

What Can I Do with My Major?

It is okay to wonder...

It is completely natural to wonder what kind of work you might do after graduation. To become familiar with majors and career paths, let's start exploring!

Explore FPU Degree Options

- ✓ Visit fresno.edu/programs-majors and select an area of study
- ✓ Click on any major of interest to obtain more info about that degree (descriptions, highlights & **career opportunities**)

Explore What You Can Do with a Major

You can also explore majors with more detail:

- ✓ Visit the [Career Development Center website](#)
- ✓ Scroll down and select **What Can I Do with My Major?**
- ✓ Select your major of interest or use the search bar near the bottom
- ✓ Explore!

Note: This website will help you connect majors to careers, learn more about strategies & requirements, provide a variety of areas that branch into each major, and help you become familiar with potential employers.
