

CAP STUDENT TESTIMONIALS

"After completing CAP, it helped me feel prepared. I followed through with the tips given and I have more confidence in my career performance because of it."

"During the CAP Mock Interviews I learned how to use detailed examples, share my accomplishments, and to listen carefully to the employer."

"CAP was a great opportunity to test my interviewing skills and helped me feel more confident."

"The Networking Luncheon was great! I enjoyed meeting new employers and receiving advice. This event is effective."

"I really enjoyed talking with employers and hearing about the different aspects of their careers. I feel more confident in my abilities to network moving forward."

"The employer who interviewed me gave valuable feedback, offered help I might need in the future, and made my experience very pleasant."

"I really enjoyed this opportunity and learned a lot in this program! It was great to get experience and I feel that more majors should require CAP because it truly helped me a lot!"

"Mock Interviews gave me an idea of what it will look like in the future when I apply and interview for a job. I learned to not be afraid to smile during an interview."

"I think CAP was an outstanding program. I loved the real experiences!"
